Account Description	
<b>Kasasa Cash Back®:</b>	A free variable rewards checking account with no minimum balance that rewards accountholders with cash back on their debit card purchases and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.
<b>Kasasa Saver®:</b>	A free, variable rate, deposit account with no minimum balance that rewards accountholders with interest when they meet the minimum qualifications associated with their linked Kasasa Cash checking account during each Monthly Qualification Cycle.
Grant County Bank Expectations	
<b>Purpose &amp; Expected Use:</b>	<p>The Kasasa Cash Back account that is linked to Kasasa Saver account is intended to be the accountholder's primary checking account in which payroll transactions and <u>day-to-day</u> spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.</p> <p>Commensurate with the spending activities identified above, we expect the linked Kasasa Cash Back account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle <u>are not</u> considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and <u>will not count</u> toward earning the account's rewards.</p>

	<p>Grant County Bank reserves the right to determine if the linked Kasasa Cash Back account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over 3 consecutive Statement Cycles. The attached Kasasa Saver account will also be closed if the Kasasa Cash Back account is converted or closed.</p> <p>We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us, including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash Back or Kasasa Saver account, any optional add-on products or services associated with these accounts will also be terminated at the same time.</p>
<p><b>Compounding &amp; Crediting:</b></p> <p><b>Balance Computation Method:</b></p> <p><b>Interest Rate &amp; Annual Percentage Yield:</b></p>	<p>Interest will be calculated on a daily basis in your Kasasa Saver account. Interest will be credited to your Kasasa Saver account on the last day of the current Statement Cycle. If you close your Kasasa Saver account before the interest is credited, you will not receive the accrued interest. Interest begins to accrue on the Business Day you deposit noncash items (for example, checks). "Business Day" means a calendar day other than a Saturday or a Sunday, January 1, the third Monday in January, the third Monday in February, the last Monday in May, July 4, the first Monday in September, the second Monday in October, November 11, the fourth Thursday in November, or December 25. If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a Business Day.</p> <p>We use the average daily balance method to calculate the interest on your account. This method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the Statement Cycle.</p> <p>When your Kasasa Cash Back account qualifications are met during a Monthly Qualification Cycle, Tier 1: An interest rate of 1.00% will be paid on the portion of your daily balance in your Kasasa Saver account that is less than or equal to \$25,000. The annual percentage yield for this tier is 1.00%. Tier 2: An interest rate of 0.25% will be paid on the portion of your daily balance in your Kasasa Saver account that is greater than \$25,000. The annual percentage yield for this tier will range from 0.40% to 1.00%, depending on the balance in the account. When your Kasasa Cash Back account qualifications <u>are not met</u>, the interest rate paid on the entire balance in your Kasasa Saver account will be 0.10% with an annual percentage yield of 0.10%.</p>

Account Qualifications		
<b>Qualifications:</b>	<p>To earn your Kasasa Cash Back and Kasasa Saver rewards just do the following transactions and activities in your Kasasa Cash Back account during each Monthly Qualification Cycle:</p> <ul style="list-style-type: none"> <li>Have at least 12 debit card purchases</li> <li>Be enrolled in and agree to receive e-Statements</li> <li>Be enrolled in and log into online banking</li> </ul> <p>Transactions and activities may take one (1) or more Business Days from the date the transaction or activity occurred to post and settle to the account. The following activities do not count toward earning account rewards: ATM- processed transactions, transfers between accounts, debit card purchases processed by merchants and received by our bank as ATM transactions, non-retail payment transactions and purchases made with debit cards not issued by our bank.
